Allergy & Anaphylaxis Action Plan

Student Name:		DOB:	School Year:
PRESCRIBER TO COMPLETE			
<p>The above named student is under my care. The above reflects my plan of care for the above named student.</p> <p><input type="checkbox"/> It is medically appropriate for the student to self-carry Epinephrine Auto Injector (EAI) medication. The student should be in possession of EAI medication and supplies at all times.</p> <p><input type="checkbox"/> Student can self-carry and self-administer EAI if needed, when able and appropriate.</p> <p><input type="checkbox"/> Student can self-carry, but not self-administer EAI.</p> <p><input type="checkbox"/> It is not medically appropriate to carry and self-administer this EAI medication. Please have the appropriate/designated school personnel maintain this student's medication for use in an emergency.</p> <p><input type="checkbox"/> Additional Orders:</p>			
Prescriber Name:		Phone:	
Prescriber Signature:		Date:	
PARENT TO COMPLETE			
<p>Parental Responsibilities:</p> <ul style="list-style-type: none"> • The parent or guardian is to furnish the Epinephrine Auto Injector medication and bring to the school in the current original pharmacy container and pharmacy label with the student's name, medication name, administration time, medication dosage, and healthcare provider's name. • The parent or guardian, or other designated adult will deliver to the school and replace the Epinephrine Auto Injector medication within two weeks if the Epinephrine Auto Injector single dose medication is given. • If a student has a change in their prescription, the parent or guardian is responsible for providing the newly prescribed information and dosing information as described above to the school. The parent or guardian will complete an updated Epinephrine Auto Injector Medication Authorization and Self-Administration Form (this form) before the designated staff can administer the updated Epinephrine Auto Injector medication prescription. 			
Parent/Guardian Authorization			
<p><input type="checkbox"/> I authorize my student to carry the prescribed medication described above. My student is responsible for, and capable of, possessing an epinephrine auto-injector per UCA 26-41-104. My student and I understand there are serious consequences for sharing any medication with others.</p> <p><input type="checkbox"/> I authorize my student to self-carry and self-administer EAI if needed, when able and appropriate.</p> <p><input type="checkbox"/> I authorize my student to self-carry, but not self-administer EAI.</p> <p><input type="checkbox"/> I do not authorize my student to carry and self-administer this medication. Please have the appropriate/designated school personnel maintain my student's medication for use in an emergency.</p>			
Parent Signature:			Date:
<p><i>As parent/guardian of the above named student, I give my permission to the school nurse and other designated staff to administer medication and follow protocol as identified in this emergency action plan. I agree to release, indemnify, and hold harmless the above from lawsuits, claim expense, demand or action, etc., against them for helping this student with allergy/anaphylaxis treatment, provided the personnel are following prescriber instruction as written in the emergency action plan above. Parent/Guardians and students are responsible for maintaining necessary supplies, medication and equipment. I give permission for communication between the prescribing health care provider and the school nurse if necessary for allergy management and administration of medication. I understand that the information contained in this plan will be shared with school staff on a need-to-know basis and that it is the responsibility of the parent/guardian to notify school staff whenever there is any change in the student's health status or care.</i></p>
