

Miss Johnson's 6th Grade Technology Supply List

Below is a list of items we will be using in the classroom this year.

1. One pocket folder
2. One spiral or composition notebook
3. Writing implement (pen or pencil)

**With this being a new class in 6th grade, there may be additional things that are required throughout the year. If/when those things arise, I will reach out and let you know.

I'm happy to provide students with any of the above supplies if needed. Please just let me know.

Wish List

If you would like to make a whole class donation these are a few things that would be very helpful:

-tissues

-Clorox or Lysol cleaning wipes
